

Step into the Spotlight

The Spotlight Collection: a marriage of traditional elegance
with cutting-edge performance features...

Spotlight models bring together dancers' most-requested features: pliable next-generation shanks, extra widths and shank options, pre-arched shaping, and an exquisite classical appearance.

The Spotlight Collection premieres with Lumina, a brilliant and versatile pointe shoe for dancers who want to truly shine on stage.

Spotlight Collection

Pre-arched construction in all models
Pliable, next-generation shanks
Streamlined traditional pleats and box contours
6 widths, 6 shank options
Handcrafted by Russian Pointe's traditional cobblers

Lumina

Medium-low crown
Wide, stable platform
Crisp, delicately rounded platform edges
Most suited to the "rectangular" foot shape,
with even-length to slightly tapered toes

Who is Lumina for?

Lumina is a remarkably versatile model, handcrafted on the cobbler's last first created for Rubin. Lumina is ideally suited to dancers who fit Rubin, and to "almost-Rubin" dancers with slightly fuller or more tapered toes.
